

Simply seamless

New application forms

- ✓ Save and send features
- ✓ Easier completion

At Liberty, we know the importance of customer service and we want to make the application process as seamless as possible.

That's why we have updated both our Commercial and Commercial SMSF application forms, which now include **editable fields for easier completion!**

So why not simplify your next deal by downloading the application form today. You can now use it to save and send your Liberty Commercial applications completely electronically!

You can also download the Introducer Guide for more details about Liberty's Commercial products. Visit liberty.com.au/broker or call **13 11 33** to connect with your BDM today.
