

Product Update

The lending landscape continues to rapidly change with big banks curbing their appetite. Meanwhile, Liberty has one of the broadest lending criteria available! Whether you are looking to help owner occupiers or investors, or seeking interest only solutions, Liberty is able to help your borrowers, and all with fast turn-around times!

To reflect recent market developments we have also updated our terms including updating the interest rates for particular Interest Only loans. You can see full details of our rates and fees in our most recent Introducer Guide.

For more on our products, visit liberty.com.au/broker or call **13 11 33** to connect with your BDM today.
